

## Request for consent based on the Personal Information Protection Law

Accenture Health Insurance Society asks for your consent regarding the handling of medical examination results based on the Personal Information Protection Law.

[Please check the following and check .](#)

- I agree that Accenture Health Insurance Society will report the medical examination results (legal medical examination items only) to the employer.  
(Excluding Voluntarily and Continuously Insured Person)

In addition, industrial physicians and public health nurses will provide health guidance / consultation based on the results of medical examinations (including the results of secondary examination).

Do you agree to submit the results of medical examinations other than the legal medical examination items from Accenture Health Insurance Society to industrial physicians and public health nurses?

[Please check the following and check any of the columns.](#)

- I agree to submit medical examination results (including secondary examination results) other than legal medical examination items to industrial physicians and public health nurses from Accenture Health Insurance Society.
- I do not agree to submit medical examination results (including secondary examination results) other than legal medical examination items to industrial physicians and public health nurses from the Health Insurance Society.

As mentioned above, there is no difference.
